ABOUT TRELOAR'S

All proceeds from the Dummer Fair will benefit the inspirational young people at Treloar's.

Treloar's is so much more than just a school and college. We are a charity, and right now, around the clock, we are delivering outstanding medical care, therapy, independence training and education to around 170 disabled children and young people aged 4 to 25.

Every day we are preparing young people to live as independently as possible and reach their future aspirations. But we can't do this without you. We must raise £2million each year to deliver innovative support in classrooms and our residential houses to help students to reach their full potential. With you by our side, our young people are striving towards a more fulfilled life. We are very proud to be able to support these amazing young people and their families.
